

# Yalumba The Y Series

CHARDONNAY 2020

The Y Series is a collection of iconic classics and exciting new varietals. Each wine is authentically crafted with fruit from South Australia's most celebrated wine regions. At Yalumba we believe that one good wine leads to another. The Y Series was created with that belief in mind. We look forward to sharing our love of wine with you as you explore the Y Series.

## VINTAGE CONDITIONS

Good rains from May to September set the vines up well for the spring growing season, summer and through harvest. A cool spring resulted in yields being slightly lower than average. The small-berried crop has imparted lovely intense fruit flavours to this Chardonnay.

## TASTING NOTES

Pale straw in colour with green hues. Aromas of rich, ripe tropical fruits and blossom notes mingle with sweet spice. The wine has a savoury edge with flinty notes from the wild ferment. The palate is lush and creamy with a touch of nuttiness evolving with zingy citrus notes, fresh mango and cream. A refreshing, lip-smacking acidity gives this wine lovely length with a savoury, textural finish.

## FOOD PAIRING

Pan-fried haloumi with lemon and parsley, or chickpea, zucchini and carrot fritters with cucumber and mint tzatziki.
